STEP 8

Click on Courses to go to your course.

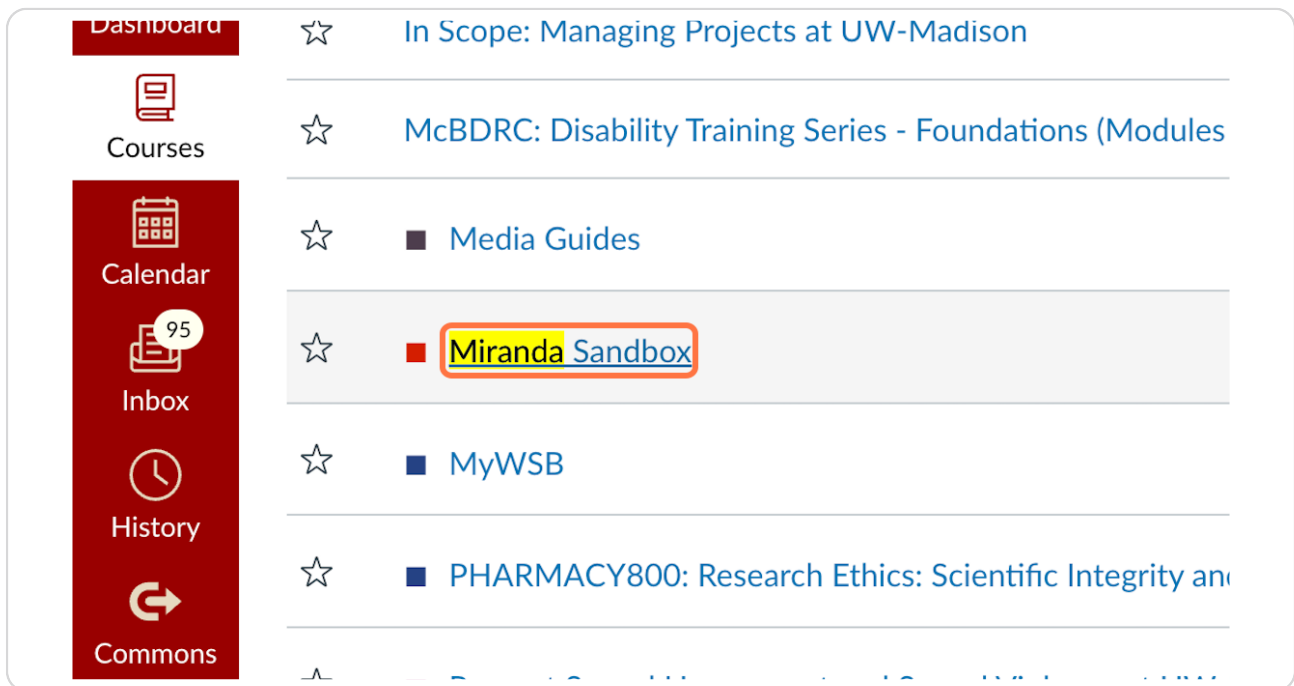

STEP 9

Click on All Courses

STEP 10

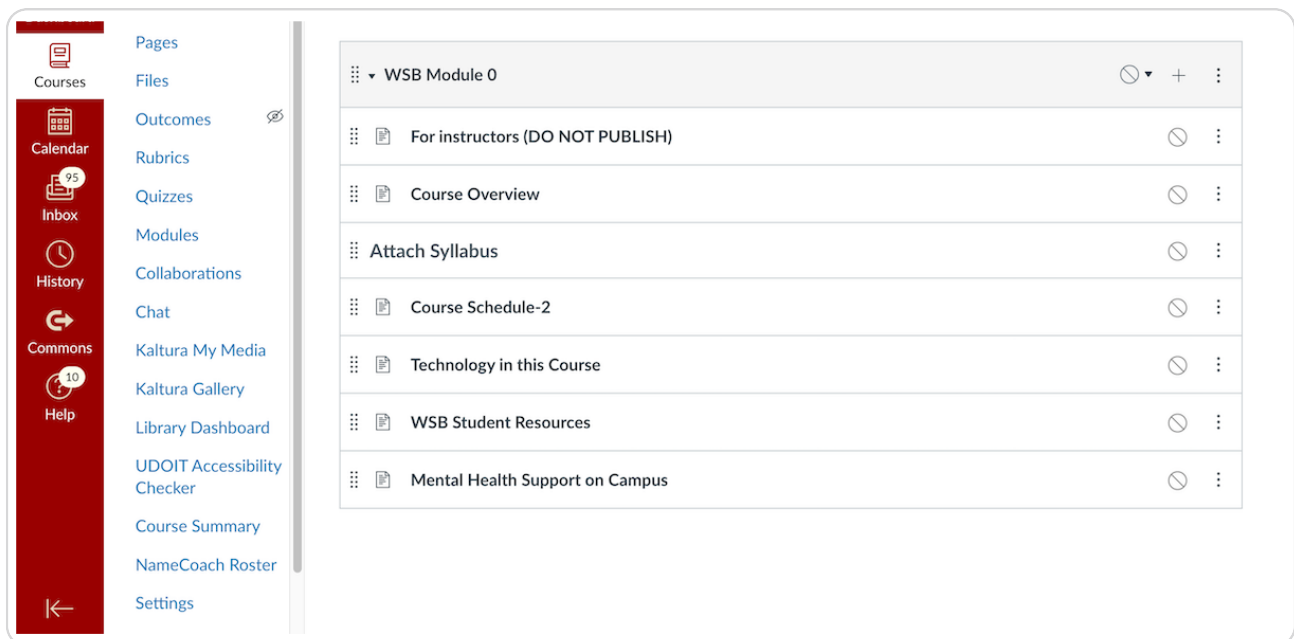

Click on your course name

The screenshot shows a course dashboard interface. On the left is a vertical sidebar with red background and white icons and text for navigation: Dashboard, Courses, Calendar, Inbox (with a '95' notification bubble), History, and Commons. The main area displays a list of course items, each with a star icon and a title. The items are: 'In Scope: Managing Projects at UW-Madison', 'McBDRC: Disability Training Series - Foundations (Modules', 'Media Guides', 'Miranda Sandbox' (highlighted with a yellow box and a red border), 'MyWSB', and 'PHARMACY800: Research Ethics: Scientific Integrity and'. At the bottom of the main area, there are several small, partially visible icons.

STEP 11

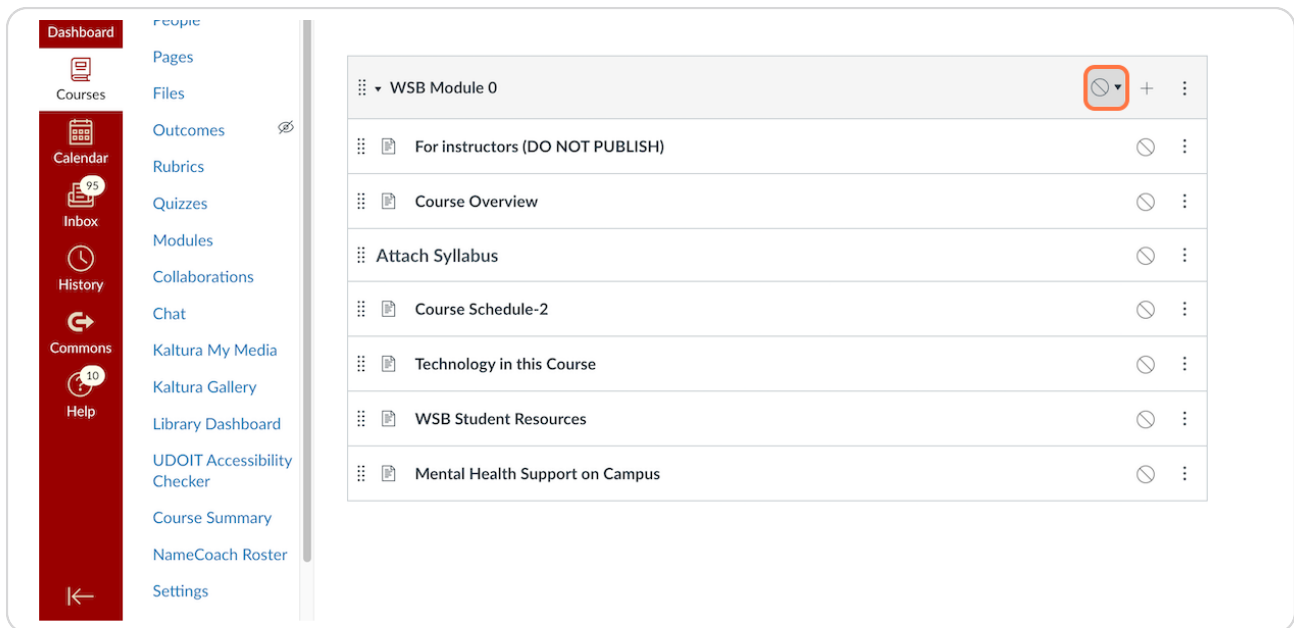

Click on WSB Module 0

The screenshot shows a course content page. On the left is a vertical sidebar with a red background and white icons and text for navigation: Courses, Calendar, Inbox (with a '95' notification bubble), History, Commons, and Help (with a '10' notification bubble). The main area displays a list of course content items under the heading 'WSB Module 0'. Each item has a document icon, a title, and a circular icon with a plus sign. The items are: 'For instructors (DO NOT PUBLISH)', 'Course Overview', 'Attach Syllabus', 'Course Schedule-2', 'Technology in this Course', 'WSB Student Resources', and 'Mental Health Support on Campus'. At the bottom of the main area, there are several small, partially visible icons.

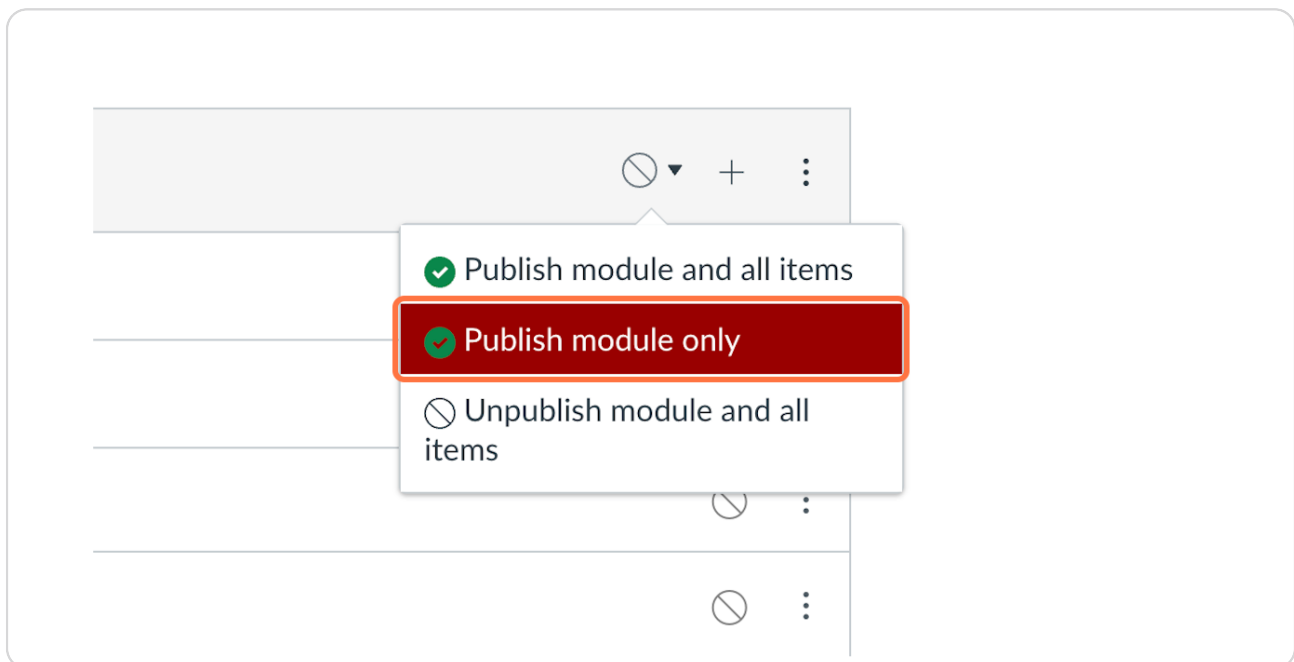

STEP 12

Click on WSB Module 0 Module publish options

STEP 13

Click on Publish module only and continue to publish all pages except "For Instructors DO NOT PUBLISH" and "Attach Syllabus"
